Welcome to Key West

On behalf of the City of Key West, it is with great pleasure that I welcome you to the **2nd Annual Pole Vault in Paradise** event on January 11th at our new, beautiful Truman Waterfront Park. Pole Vault in Paradise is being organized by the non-profit Key West Track & Field Club to support our Key West High School track team.

Key West is thrilled to host this exciting event again this year. We're certain that you will enjoy our sunny January days with temperatures reaching 75° and balmy evenings of 65°. We are a laid-back island of 25,000 locals who graciously welcome over 3 million guests every year into our Community. We have much to offer with our historic structures and architecture, art galleries, world class restaurants, beaches and water sports and infamous night life. Key West is a perfect island to see by bicycle or on foot.

We are an environmentally sensitive island and would hope that you respect and enjoy our Community as we do as locals.

Thank you for joining us in Key West and for your participation in the **2nd annual Pole Vault in Paradise** event. We look forward to "seeing the bar raised".

With warmest regards,

Teri Johnston
Mayor

Key to the Caribbean – Average yearly temperature 77° F.
